Additional Comments C01 strongly recommend this professor

C01	Not so much time for the final project, too much overlap with assignments.
C01	I really learnt a lot from the class, while I think the slides have some overlaps sometimes cause confusing
C01	thankyou . 2 learn a lot
C01	this course would be more interesting if it covered advanced topics.this felt like a intro course indeed
C01	More formal introduction of MATLAB functions for people who are new to it.
C01	best professor ever.please give me more lectures
C01	A very nice and great professor
C01	this course is great. I just wanna thanks to my professor
C01	more challenging concepts could have been covered . Assignments could be structured to have more real world
C01	applications  I really loved this course.the material are nicely organized and the lectures are clear and interesting, the theoretical-practical assignments are really helpful.5 star instructor.
