● Queer Brooklyn Tour (During Welcome Week, meet up at NYU Polytechnic School of Engineering)

● Queer Grad Beach Day | Riis Beach (During Welcome Week, meet up at NYU Polytechnic School of Engineering)

● NYU LGBTQ representative (possibly with other NYU Student Affairs Unit) to serve at NYU Polytechnic School of Engineering a few days a month to create a visible presence on campus and encourage involvement with our initiatives. Would require designating a space -- perhaps just a table in the res halls lobbies to start with.

● Specialized Campaign for NYU Polytechnic School of Engineering about LGBTQ People in the Sciences and Technology Fields -- would require to identify wall space on campus to place this beautiful graphically designed posters that raise awareness about LGBTQ people in these fields and point students in the right direction about how to get involved.

Updates

Increasing LGBTQ Visibility on NYU’s Polytechnic School of Engineering campus
• CMEP + Tabling during the Fall 2013 and Spring 2014 -- at least 2 times a semester / 4 times a year
• LGBTQ in STEM Awareness Campaign: Life-size images of LGBTQ Leaders in the STEM field -- connected to resources currently being offered on campus for these populations

Increasing NYU Polytechnic School of Engineering programming and potential collaborations
• Fall Welcome Week Events -- LGBTQ Outreach specific to the School of Engineering. The use BK as a meeting point for two events: Queer Brooklyn Tour (mixed for undergrads and grads) and the other just for Grad students (was going to be beach trip and due to weather ended up being to a bowling place in Williamsburg)
• Codebreaker Screening for RQFS happened at the School of Engineering (co-sponsored by OSTEM and panel included LGBTQ alumni who are adjunct professors at SOE)

Increasing leadership development opportunities for NYU Polytechnic School of Engineering students
• OSTEM have actively recruited members for their club through the LGBTQ Student Center
• OSTEM leaders attended the SJLR
