

THE RUNDOWN

VIOLETS GO VIRTUAL!

Hey Tandonites! We hope you've been having a blast getting to know other new students in your pods through the Kickoff events with our fabulous Orientation Leaders. The next couple of weeks will give you even more of a chance to get to know each other through our "Violets Go Virtual" series - programs designed for YOU, all of our brand new students, to have fun, build community, and get excited to start at Tandon in just a few short weeks! You'll find the schedule for all of our events on the second page. Enjoy!

UPDATES

A huge shout out & thank you to those of you that submitted a video for the **"What Will You Do?"** challenge!

Today, you should all be receiving an email about accessing your **Orientation Schedule** through **NYU Mobile**. Please note that Tandon's schedule is still being finalized, so if you don't see specific dates/times for a session (i.e. if you don't see your department's session) don't panic! We'll update it as we get closer to August 24th!

REMINDERS

- Have you joined your Pod's facebook group yet? Get to know your other members and get inside information from your Orientation Leaders throughout the rest of the month!
- Follow our office on social media @nyuengrosarc for updates and ways to get involved with clubs, leadership & service programs, and much more!

SPOTLIGHT

Have you heard of TUSC yet? It's your Tandon Undergraduate Student Council, and they are elected students that plan awesome programs throughout the year, make important changes around campus, *and* represent Tandon in the NYU-wide Student Government Assembly. Some of their past highlights include:

- *Helping to secure 24-hour study spaces for students*
- *Creating the "Swipe it Forward" initiative to donate meal swipes to students in need*
- *Supported a drive to provide free menstrual health products in bathrooms around campus*

Want to be a part of TUSC this year? Make sure you follow them on Instagram @nyutandonusc and look out for their event on August 19th!
