Application for a School of Engineering Exchange Semester

This form is to be used to notify the Office of Undergraduate Academics (UGA) that you are interested in pursuing a study abroad semester at one of the four exchange sites available. If approved by UGA, students may be required to complete another application for an exchange site. Students will be notified of the Office’s decision via email and at that time will be sent further information about any admissions processes of the exchange school. Note that students must have completed at least 32 credits at the School of Engineering and have at least a 3.2 GPA to apply for an exchange site semester.
