NYU FRE Dept: Frequently Asked Questions & Process Overview
Registering for Internship Credit & Requesting Work Authorization

OPTIONS: What are my options for requesting credit for my internship?

- **Students may request to register in the internship course FRE-GY.7021: Either one time (for a total of 1.5 elective credits) OR two times (for a total of 3 credits), which could fulfill the capstone requirement.**
- In order to use internship credits as a capstone experience, students must use two internships (in TWO separate semesters), either with the same company or separate companies. Students must also complete a written report on each experience.
  - 1 semester internship & written report [1.5 Credits] x 2 = Capstone Credit
  - **NOTE:** If a student interns one time with the intention of doing a 2nd internship in a later semester, but is unable to obtain a second internship or decides they no longer want to do a 2nd internship, the 1.5 credits used for the first internship will be used towards free elective credits. The student will then need to choose a different capstone experience (project, thesis, 3.00 credit special topics).

**Note: international visa students have a 3 credit maximum (two 1.5 credit internships) for CPT use **

May I do an internship AND a separate capstone experience?

- Yes – you can use your internship credits as ELECTIVE credits, and do a separate capstone.

STEPS TO REQUEST INTERNSHIP CREDIT & CPT APPROVAL:

- **Step 1: Request FRE Internship Credit Approval / Permission Number:** The first step is requesting FRE Credit approval from Professor Agnes Tourin, who oversees the Capstone course. You will need to provide the details of the internship (including an offer letter with all internship details*). That request should be submitted here: [FRE Internship Credit Request Form](#).
  - *Details required on the offer letter in order to be approved by the department: –Offer letter (on company letterhead) must include a job description, position title, # hours per week, start and end dates, name & contact info of manager, company and group name, pay rate & address at which the internship will take place. This should be signed (or e-signed) by the hiring manager or HR.*

- **Step 2: Obtain Permission Number** - Once approved by Prof Tourin, you will receive a permission number allowing you to register.

- **Step 3: Submit CPT Request Form [Students Requiring CPT]** → You will need to complete your CPT application via the [CPT Electronic Request Form](#). Additional details on this process are available on the [NYU OGS website](#). This will be electronically reviewed for approval by the FRE Department capstone advisor, and finally, by OGS (Office of Global Services).

**DEADLINES:** What are the deadlines for registering my internship in Albert? What about CPT? For Internship (Capstone or Elective Credit): Students will need to do this by the [add/drop deadline for the term](http://www.nyu.edu/registrar/calendars/university-academic-calendar.html) that they wish to intern. See the academic calendar for exact dates: [http://www.nyu.edu/registrar/calendars/university-academic-calendar.html](http://www.nyu.edu/registrar/calendars/university-academic-calendar.html)

- For CPT: The OGS (Office of Global Services) website recommends that students should make the CPT request at least 10 business days before the start of the internship (which should be within the dates of that term). You must first be registered for course credit for your internship in order to get CPT. Students should refer to the [Office of Global Services regarding specific details for CPT](https://www.nyu.edu/students/student-information-and-resources/student-visa-and-immigration/current-students/employment-and-tax/curricular-practical-training.html) and contact the OGS directly with questions: [https://www.nyu.edu/students/student-information-and-resources/student-visa-and-immigration/current-students/employment-and-tax/curricular-practical-training.html](https://www.nyu.edu/students/student-information-and-resources/student-visa-and-immigration/current-students/employment-and-tax/curricular-practical-training.html)

When am I permitted to intern?

- International students on an F1 Visa may intern after the completion of 2 full-time semesters as a student in the U.S.
- Most students intern: the summer between 1st and 2nd year and/or Fall or Spring Semester of 2nd year.
