

NYU Tandon School of Engineering 2019 - 2020 Dean's List

It gives me great pleasure to congratulate those on this list for being named to the NYU Tandon School of Engineering Dean's List. Your academic achievement is a source of pride to the entire faculty and to me in particular. This is a major accomplishment and I hope that you will continue to exhibit this level of dedication to the active pursuit of knowledge throughout your career at Tandon.

Peter Voltz, Associate Dean of Undergraduate and Graduate Academics

Undergraduate students who achieve a GPA of 3.4 or higher over the course of an academic year with no grades of F, I or U, and are otherwise in good academic standing, are placed on the Dean's List. Only those who complete 12 or more credits each semester are eligible.
