CONGRATULATIONS!
Welcome to NYU Tandon to all of our new students!
We’re so excited to meet you in a few short weeks. This is your first official rundown for New Student Orientation. You will see these in your inbox every week until you arrive on campus. It will have plenty of information about Orientation, programs going on across campus, answers to questions you might have about transitioning to campus, and more. This will be your one stop for all things Orientation!

Your first task to get ready is to register for Tandon’s New Student Orientation! Registration is now open and required for all incoming students, first-years and transfers. You will need your NYU N number (e.g. N12345678) handy in order to register. If you have any questions or concerns about the registration process, reach out to us!

NYU WELCOME
College has always been a time for fresh starts, and this fall promises to bring a new beginning for all of us together as a community. NYU Welcome’s team of students and staff is preparing an exciting variety of in-person and virtual programs, events, and initiatives to support your transition to NYU. Follow @nyuwelcome on social media for summer events, involvement opportunities, and much more to get ready for NYU!

NYU RETURNS
This Fall, all students are required to be up to date on their COVID-19 vaccinations (including a booster, when eligible) with an FDA-authorized or WHO-listed COVID-19 vaccine. Read about the COVID-19 vaccine requirement and review the FAQ for more information. Currently, NYU requires that all members of the NYU community wear appropriate masks indoors in settings and spaces: (1) where in-person attendance is obligatory; AND (2) that involve exposure to the same individuals over a prolonged period of time. At this time, we anticipate masking will be required for most NYU Tandon Orientation events, so students should be prepared to bring an acceptable mask to all Orientation events. For any questions on vaccination requirements, health and safety guidelines, and more, please visit NYU Returns and the Arriving to Campus Guide.
CAROLINA
Hello! I am Carolina, an upcoming junior studying Computer Science. I was born in NYC and raised in Mexico. I am so excited to meet you all and help you out in any way I can! I am sure we are all going to have so much fun together in August!

REMINDEERS
Follow our office, the NYU Tandon Office of Student Leadership & Engagement on social media at @engagement.tandonstudentlife for updates and ways to get involved with clubs, leadership, service, and much more!

SPOTLIGHT
Let’s meet this year’s amazing Orientation Captains - Carolina Martin and Cecily Schultz!!

They have been hard at work all summer to make your Orientation the best experience possible. They are your go-to for all things Orientation and all things Tandon! Carolina and Cecily are also leading our group of incredible Orientation Leaders that we will introduce in a future issue of The NSO Rundown!

CECILY
Hello There! I am Cecily, a rising senior in Mechanical Engineering with two minors in robotics and Computer science. I am from the west Philly suburbs in Pennsylvania. I am also a member of the robotics design team here at Tandon and I am a very big Star Wars nerd. I am excited to meet all of you. If you need any help, you are always welcome to reach out to me personally. And if you are also a big fan of Star Wars, ask me to see my halloween costumes from the past two years!
