

# Tandon 2023

— NEW STUDENT ORIENTATION —

## RUNDOWN

JANUARY 16, 2023

### Welcome to your Orientation Pod!

What is a Pod, you ask? Pods are the groups that you will be in throughout Orientation guided by one or two current undergraduate student leaders, called Orientation Leaders (OLs). We put you in these groups so you will be able to get to know other new students really well before your classes even begin (and who doesn't want more friends?!?)

Soon, you will receive a welcome email from your Pod Orientation Leaders to introduce you to your pod name, meeting location, and tell you more about them! You will be able to use Slack to connect you with your Pod-mates so take a minute now to join our Orientation Slack! That will get you added to your general channel and from there. Your OLs will add you to the channel specifically for your Pod so you can introduce yourself and start getting to know your Pod-mates before you even reach campus!

### Orientation Schedule Coming Soon!

Soon, you will receive an email from the NYU Welcome team about accessing your Orientation Schedule through NYU Mobile.

Please note that Tandon's schedule is still being finalized, so if you don't see a specific date/time for a session (e.g. you don't see your department's session), don't panic! We will update it continuously as we get closer to the start of Orientation on January 19!

### Reminders

Don't forget to register for Tandon's New Student Orientation! Registration is now open and required for all incoming students, first-years and transfers.

You will need your NYU N number (e.g. N12345678) handy in order to register. If you have any questions or concerns about the registration process, let us know at [Orientation.tandonstudentlife@nyu.edu](mailto:Orientation.tandonstudentlife@nyu.edu).

## RUNDOWN

JANUARY 16, 2023

### Spotlight #1

Have you heard of TUSC yet? It is your Tandon Undergraduate Student Council and they are your elected student representatives that plan awesome programs throughout the year, make important changes around campus, and represent Tandon in the NYU-wide Student Government Assembly. Some of their past highlights include:

- Voicing students' feedback on campus safety to the Vice Dean for Strategy & Chief of Staff and the Director of Operations and Administration
- Helping to improve late-night travel options between the Manhattan and Brooklyn campus for students
- Representing Tandon students on the Brooklyn Community District 2 Board to strengthen our relationship with the community and promote the safety of NYU students

Want to be part of TUSC this year? Make sure to follow them on Instagram @nyutandonusc

### Spotlight #2

Engage is NYU's online community that connects students to clubs, organizations, and campus events. Join NYU Engage today! You will want to join NYU Engage before you arrive for Orientation, because that is how you will check-in with your Pod each day.

Once you join Engage, visit [engage.nyu.edu/eventpass](https://engage.nyu.edu/eventpass) to download your personalized QR code Event Pass to your phone to make check-in quick and easy. And the great news — your Event Pass is good for as long as you are a student, so you will want to keep it handy for all the amazing events you are going to attend this year!
